## WILL NOW CONTEST

SENATOR HARDING WILL FIGHT  
HUFFMAN FOR A SEAT

If Republican Plans Carry the Senate  
Will Be a Tie and Herrick's Ap-  
pointments Can Be Con-  
firmed.

Columbus, O., Nov. 17.—The seat of Isaac Huffman as senator from second-fourth district is to be contested by Senator Eugene Harding. If a contest against Huffman's right to the seat is filed he will be denied a right to vote on the merits of his own case.

On this proposition the senate would stand eighteen Republicans and eighteen Democrats with the deciding vote resting in the hands of Harris, Republican lieutenant governor.

If Senator Harding wins the senate will be Republican, Governor Herrick's recess appointments will be confirmed and the Democrats robbed of much of the sweets of victory.

## IN TROLLEY WRECK

TWO CANTON MEN WERE BADLY  
INJURED

Accident Occurs Between Navarre  
and Justus—A Big Passenger  
Car Collides With Line  
Car.

Massillon, Nov. 17.—Ralph Vickery, a motorman of the Canton-Akron Railway Company, was brought to his home at 11 o'clock Friday, with a fractured left ankle. The injury was received in a collision between the work train and car No. 16, one of the interurban cars. The accident happened between Navarre and Justus.

Conductor George Barnhart, of Canton, received serious injuries of both ankles. He was also brought to Massillon at 11 o'clock, and was taken to his home on the 12:30 car. Three Hungarians, who were working on the work train, were bruised and one was injured internally. The latter was taken to Mt. Airy hospital. It is feared that his injuries are serious. He was caught between the work car and a trailer. The other foreigners were cut and bruised but were able to walk.

The accident occurred on a curve and as yet the cause has not been made known. The work train was coming north to go upon a sidetrack. The interurban car was going south and the two met in a head-on collision. No one had time to jump. The work car was badly demolished and the interurban car had its front end smashed in.

Vickery and Barnhart had charge of the work train. The interurban car was in charge of Motorman Charles Mowery and Conductor McLean, both of Canton. Motorman Mowery was cut about the face but not seriously injured. He brought the big car back to Massillon carrying the injured. Another car was sent from the car barns to take care of the passengers who occupied the interurban car. No passenger was seriously hurt.

Motorman Vickery was carried from the car on a stretcher and was taken to his home at once. Dr. Pumphrey said that the fracture was a bad one.
